

Showplace Kitchens planning worksheet

Use this planning worksheet to organize your thoughts about your new kitchen. Then bring this information to your Showplace Kitchens designer to help create the new kitchen that is just right for you.

name _____

address _____

phone _____ date _____

e-mail _____

Design & style

What do I like and dislike about my current kitchen's looks, colors, or style?

What general styles do I like?

Is there a particular design theme I want to use?

What colors do I like/dislike?

What rooms adjoin the kitchen? Does the kitchen need to complement their design?

Showplace Kitchens planning worksheet

name _____

Function & storage

What do I like and dislike about my current kitchen in terms of functionality and storage?

Do I need more space in the kitchen for working on the computer, paying bills, and other tasks? Which tasks?

Do I need more storage space? What kind of storage – pantry, cookware, drawer?

Can I get extra room by organizing the space better, or do I need to change the kitchen layout?

What non-food related activities will take place in my kitchen?

Showplace Kitchens planning worksheet

name _____

Cooking & prep

Is the primary cook left or right handed? Is there more than one primary cook?

How does the primary cook prefer to work? Alone, partner, multiple helpers?

Do I have enough countertop space for preparing meals?

Do I need a bigger cooktop or oven, or more than one oven?

Comments & wish list

What general comments would you like the designer to know? What's on your wish list?
